

GET MORE OUT OF YOUR FLEET

RANGER DESIGN, YOUR TRUSTED ADVISOR

WE BELIEVE THAT MORE IS POSSIBLE

For 30 years, Ranger Design has been working with fleet managers to design solutions that will improve the return on investment of their fleets:

- > Better workflow
- > Less vehicle downtime
- > Green initiatives
- > Designs with employee safety in mind

LOOKING FOR INNOVATIVE SOLUTIONS FOR YOUR FLEET? WE CAN HELP.

THE PERFECT FIT
FOR YOUR
TOUGHEST JOBS

INDUSTRIES WE SERVE:

UTILITY FLEETS

Strong and durable equipment

Tough enough for any job and engineered to give your van the extra payload it needs to keep you competitive.

DELIVERY FLEETS

The perfect fit for last-mile delivery

We help delivery fleets become more organized, efficient, productive, and profitable so that they can deliver more in less time.

SERVICE FLEETS

Better control of your work space

Optimizing the layout for your service fleet vehicles is essential to boosting your team's efficiency—work gets done faster and costs are easier to control.

TELECOM FLEETS

Beyond the basics

Boost performance and gain a competitive advantage with telecom fleet solutions that ensure driver safety and can be adapted to every job.
