# THE PERFECT FLOOR FOR YOUR ELECTRIC VAN

Ranger Design's unique E-Floor is designed to offer the best fit for both electric and gas powered vehicles. Its revolutionary concept offers an easy install that avoids all the wiring that runs just below the surface of the vehicle's OEM floor. This option also ensures a great resale value for your van in the future, as it leaves no permanent damage. As sturdy and effective as a regular floor, it simply offers more benefits for your EV!
